

### CHARLES RAYMOND SILVA

*Navy*

*St. Francis Prep.*

*Duns Scotus; Who's Who; French and Philo Club; Phi Rho Pi; Sodality; Franciscan; Editor Voice; Baseball Varsity; Bowling Team; Track Team.*

"The soiree is at Charlie's house," that was the familiar saying heard at French Club meetings. Charlie returned from the war to become one of the most active students in the college. As editor of the Voice, Charlie had a tiring and thankless job.

Charlie is going steady, and can be seen with his girl at all social functions.

Being a scholar himself, Charlie wishes to become a teacher in the Essence and Existence field. He is pointing towards a master's degree at Fordham University.

### VINCENT JULIAN ZEBROWSKI

*Navy*

*Bishop Loughlin H.S.*

*Glee Club; Art Editor Voice; Track Team; Math Club; A.A. Office.*

"Shutter-bug" Zebrowski is one of the stalwarts in the A.A. Office hustling about to keep the team in shape and making sure all have ducats to the games. Always interested in all types of sports, Vin appreciates the finer things in life too; wine, women, and song. Never gets over his eight o'clock class until about three P. M. and a two hour snooze. War stories, Saturday classes and red tape just don't agree with him. Vin's a math major, and wants to work in the field in some capacity.

## JOHN JOSEPH MALONEY

*Navy*

*St. Francis Prep.*

*Indicator Club, Vice President; Basketball; Math Club.*

"Big Jawn", an ardent devotee of Morpheus, has his own special spot in the students room. Pinocchle and women are his favorite extra-curricular activities. Bought a big car just so that he wouldn't have to tote heavy textbooks to and from home. Always ready for an occasional beer or a differential problem. "I just won't understand one thing in this problem." Wants to be a mathematician.

## BROTHER CLARENCE, C.F.P.

*St. Joseph Juniorate, Cincinnati, Ohio; Athanaeum of Ohio; Diocesan Teachers' College*

It's difficult to determine Brother's predominant quality. In little more than a year at St. Francis Bro. Clarence has won many admiring friends through his warm Franciscan charity and high academic standing. Although majoring in English, Brother also excels as a Latin and Biology student. Both his Order and his home state, Ohio, may be justly proud of his record. Our fondest wishes are extended to this true son of St. Francis. May his future be as successful as his sojourn at our beloved Alma Mater has been.
