

often), to listen to me talk (or should I say babble), to cheer me up when I was upset, and most of all — you're best quality — you *always* made me laugh when I needed it and I thank you so much for that. Yvonne, this has been an awesome year for both of us — our 21st year. What a year it was (and you know what I mean). So many memorable and unforgettable things have happened this year. Never forget them — "Lifty", "Lefty", "R.B.I.", "Bag It", "The Key to Paradise", "Kiss 'O Mints", "Daffodils" and much more. Always remember the good times and the bad — the fights — but we survived them. Oh, "What's the problem?", "This is unacceptable", and "What's the point?" Dunkin Donuts, "The Big One" Rules! Love you always babe!

Love You,  
Terry

Chris Lane: Good luck to you always. You've matured a lot in the past year and I'm proud of you. You were always fun to hang out with and a good friend. Stay good and K.I.T. Always remember the good times at S.F.C.

Love always,  
Terry

Laura: Congratulations! You've been a great friend. I'm glad we became friends this year. It's been fun. I'll see you around. Keep in touch.

Love,  
Terry

Vianca: Making this book has been fun and a lot of work. We've had a great year — through all that chaos, but it was worth it! Too bad we are not graduating this year, but it will be us next year — Finally! I love you always.

Friends Forever!  
Love, Terry

Terry and Vianca: I really enjoyed working on this book with both of you. I learned a great deal from both of the most talented people I know. Terry, not only are you an awesome editor but a true caring friend. I do not know what I would do without you.

Tom: You've been one of my greatest friends. We shared a lot of good times together. Friends forever, Love Always,  
Terry ("B.I.")

Thank you for having the confidence in me to take over as editor for next year. I promise that I will not let you down. Remember “Who let the retards in?”, “AC”, “Big A.T.”, “Helmethead”, and most importantly our two favorites — “Lifty” and “Lefty.” Vianca, keep your docks polished and ready to go. I have a feeling we are going to need them next year. We have been through some rough times but thank God the BIG storm cloud has passed. You are special to me. I am really glad I am sticking around one more year because now I get to be with two of my three favorite people some more. Next year we can say, Finally it has happened to us!

I LOVE YOU BOTH,  
Yvonne

JCP,

It sounds strange but it's true, the spokesman with the tie I once didn't know is now the person I now know and grew to like and respect. I'm glad we did meet. I treasure you as a friend. Remember 26 and remember I will never be far away.  
I LY.

Vianca

Yvonne,

What can I say, I'm proud of you now and always. You did it finally, but I'm sure you'll do it again. These years have been worthwhile because I've spent them with friends like you. It's been hard, but you came out on top. Our biggest problem, is NO MORE, it's JUST BIG. I'm happy you're back for another year. I cherish our times together, there have been so many. Remember, the best is yet to come! I LOVE YOU ALWAYS!

Vianca

Terry,

Hi babe, I think we did a great job, on the book, but then I think we do a great job on anything we set out to do. Next year is for us! I am proud of you. Friends forever.

I Love you  
Vianca
