*There is a place not far away
a place so gorgeous you'd want to stay
There is no transit way to go
To get there you are on your own
You can go there with your friends
Or maybe a special love instead
Things you can only dream of is what
you'll
see
clear waters, blue skies in a sunset
scene*

*Moonlight is a pretty sight
Or the beach holding someone tight
Never get discouraged, never fear
For this place is very near
Butterflies on flowers and birds in the
air
Everyone knows when they get there
This place is grand and so carefree
This place is called*

*You sit and wonder just
who's gonna stop the rain
Who'll ease the sadness
who's gonna quiet the pain
It's a long dark highway . . .
