THE FRANCISCAN IS FOR

The time has come, and the end is near. All four years are coming to an end, and there is a feeling of mixed emotion. Graduation brings on many memories, and feelings that we don't know if we're glad that it's over, but we'll always be a part of the graduating class of 1991. So take a last look while you still have time. Billy Joel reminds us in his song "This is the Time" that . . .

"This is the time to remember cause it will not last forever. These are the days to hold onto cause we won't although we want to. This is the time, but time is going to change."

5

We made it with a little help from our friends! For those who taught us, for those we fought with, and for those who have been our friends — we thank you for your guidance. You've pushed us to our limit, to help us broaden our minds. Because of you we laughed and cried, and most importantly you believed in us, and we achieved!

Thank You!

17

All of us come from a very small school, and to feel like you are a part of things you need to get involved. Being active in Campus Life helps you to make the best out of your college experiences. College is not just "hitting the books," but becoming a part of things, and meeting people that will become your lifelong friends.

47

Being involved in sports is being a part of team spirit and game tradition which brings together a team. The fans come to the game to cheer and root-root-root for the home team. It's great to see young athletes with great potential. Team spirit is gained through unity and dedication, and at St. Francis, our team sports have just that. Regardless of the sport, the game is both victorious and triumphant for the winner, and defeat for the losers. But win or lose the team members of St. Francis give it their ultimate best shot.

95

The different events at St. Francis show that we can go the extra mile. It's more than just being involved. It's being able to produce something for others to see. It is because of the efforts of students and teachers that St. Francis is very productive with regards to parties, blood drives, plays, and any other event that happens here.
