

Knights of Columbus

Having been formed to foster the four principles of the Order—Charity, Unity, Fraternity and Patriotism the Council at SFC boasts of total membership of 150. It consists primarily of Graduates of the early seventies and present students.

In conjunction with the state councils they run two chance book drives each year for the handicapped. Four

masses are organized for the members and their families at Easter, Thanksgiving and the beginning and end of the school year. Time, money, food and toys are donated regularly to charitable organizations. Socially the Knights of Columbus hold a dance, conduct parties and participate in sports events at the college during the year.
