

The King and his Court.

"So I said, 'Take the fifty-thousand and parlay it.'" Rich "Mr." Love.

# ECONOMICS SOCIETY

Under the leadership of President Larry Paley and the guidance of the moderator, Prof. O'Connell, the Economics Society has become one of the more active clubs on campus. The society began the year assisting graduating seniors in their aspirations to graduate school and employment. This year the Economics Society has also established a memorial scholarship fund in the name of a former member, Gerry Doyle.
