

# BLACK STUDENT ASSOCIATION FASHION SHOW SPRING 1981

On charter day, Spring of '81, the Black Student Association welcomed groups of friends and relatives to its First Annual Fashion Show. As a result from much preparation from students and support from the fashion community the endeavor was enjoyed by all.

Janice Scott, President of the Association, was ably assisted by Barbara Walker and Joanne Dickson in the organization of the event. Kiki Ifill and James Bullock served as fashion and model coordinators. Donald Levy acted as artistic director. Lighting was supplied by Nelson Gomez of the Troupers. The Backstage area "filled with models and behind-the-scene volunteers" was very carefully managed by Marie-Alice Leger; Patricia Paez was commentator. Ms. Yvonne Dash, a professional Cosmetologist and representative of Mary K. Cosmetics, skillfully applied the make-up. The evening's climax of course, was the parading of lovely fashions down the runway.

Fashion houses such as Jordache and Yve Saint Laurent supplied the clothes.
