

"Tempus Fugit"—the week of preparation gave way to the night for which we awaited. As the attending 125 couples distributed themselves throughout the Belvedere Roof the tinge of gaiety and sophistication could be sensed amongst the crowd. Every Junior appeared extremely happy with the girl of his choice.

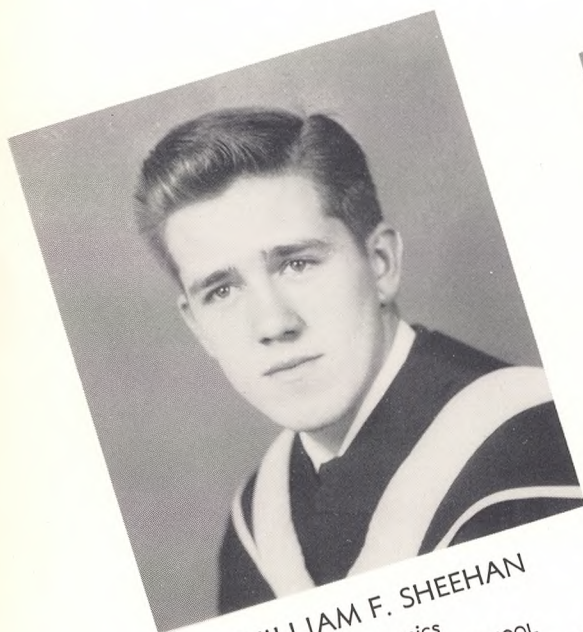

Later in the evening Miss Fran Warren was crowned Queen of the Prom by class President Bill Weir after being introduced by co-chairman John Kenny. The big moment came when Miss Peggy Joyce was chosen as the Prom Princess by a committee composed of Miss Warren, Professor John Burke and Professor Joseph Mahoney.
