SOCIOLOGY

Helpful Moments

The administration is the heart and soul of St. Francis. The diverse administrative departments help keep the school running efficiently.

The President is the "captain of our ship" and steers us along on a smooth, charted course.

Academic Affairs concerns itself with the grades and progress of St. Francis' students.

Academic Support provides help for students who are having difficulty with their schoolwork or who need help with their writing, mathematical or study skills.

Academic Computing provides students with computers so that they can type resumes, reports, and when the time comes — their thesis.

The Library gives students a place to study and provides thousands of books to aid students in their never ending research papers.

Registrar is where the registration process occurs and where transcript requests are made.

Business and Financial Affairs is home to Student Accounts where tuition is paid and if you are lucky, where you receive refund checks.

Physical Plant keeps our hallowed halls looking good and is where you can rent a locker.

Student Affairs is where students go if they are in trouble or need some kind of help.

Admissions keeps up the influx of quality students to our college.

Athletics keeps our teams going and our college community informed.

Career Placement helps students find jobs while in school and after graduation.

Financial Aid helps students pay their tuition with packages which consist of loans, grants and other assistance.

Health Services provides students with quality medical advice and care if needed.

Student Activities makes sure that clubs and publications function properly.

College Relations keeps the outside community as well as the St. Francis community informed on all the exciting events which take place at the college.
