

St. Francis College

Phi Rho Pi

Phi Rho Pi

Phi Rho Pi National Fraternity, Beta Chapter, of St. Francis College was founded thirty-one years ago.

The primary aim of the Fraternity is to assist the member in his spiritual, moral, and social growth—for God, Country, and St. Francis College.

Since 1951, Mr. Edward Byrne, faculty member and head of the Biology Department, has served as Moderator.

Pledgees are accepted into the Catholic brotherhood every semester after successfully completing a period of vigorous observance. At present thirty-five brothers proudly wear the Fraternity pin, a symbol of membership, membership that is life-time.

Little boy "blew" . . .

Shine 'em up . . .

See here Arty . . .

So few among so many . . .

The frogman's serenade . . .

Now hear this

How sweet
