The Terrier aquamen are once again shooting for the Eastern College Water Polo championship. The success of the team in recent years has been phenomenal. They have been undefeated in league play for the last four years. They have also been successful in upholding their title in seven out of the last eight years. The co-captains for this year are Jim Thamm and Joe Vohs. Other seniors on the squad include John Jacques and Doug Schenk who will supply the necessary experience. The coach, Charles L. Schaem, has been responsible for the building of a real Eastern powerhouse in the sport that he knows best, waterpolo. Some rugged and powerful assistance will be contributed by Pete Leonard, Joe Viviani and Lou Goia.

The loss of two All-American players does not diminish at all the spirit and confidence of the squad, as the St. Francis swimmers reflect the unyielding attitude of a team that is well-coached, well-manned and well-prepared.
