

ASSOCIATION OF EVENING STUDENTS

The Association of Evening Students is precisely that, the official organization of the students of the Evening Division of St. Francis College. The club is dedicated to promoting and at times protecting the welfare of its members.

The Association conducts a varied and vibrant social life. Its biweekly meetings at the Hamilton House are infamous for their liveliness. In addition to its regular meeting the Association sponsors various other functions throughout the year culminating in their yearly dance.

The club has prospered under the dynamic leadership of Jim Bozart in 1968-69 and is eagerly anticipating the coming year.
