The St. Francis College soccer squad faced a rugged 12-game schedule this fall in addition to competing in the Hartwick College Tournament at Oneonta, New York.

In Division I Met Soccer Conference games, the Terriers met Fairleigh Dickinson University, Long Island University, Pratt Institute, Fordham University, Brooklyn College and Adelphi University.

The schedule also included contests with York College, City College of New York, University of New Haven, Hunter College, New York University and Manhattan College.

The team has benefited from the excellent coaching of Carlo Tramontozzi. Coach Tramontozzi captained the L.I.U. team in his playing days and later served as their assistant coach. He came to St. Francis in 1968 and has compiled a record of 60 wins, 38 losses and 9 ties.
