THANKS FOR THE MEMORIES . . .

BOB HOPE

Hey Andy,
Rock-n-Roll Baby!

Braxton

Hey JoJo,
Wake me up before you Go-Go.
Braxton

Juan Nunez,
I got a call from Creedmore yesterday, and they asked if I
knew of any prospective candidates — well?
Braxton

Hey Andy,
I'm worried about John M. He has a bad habit, he's
always trying to pick up someone else's pussycat.
Meow!

Braxton

Hey John M,
I'm worried about Andy. I think he's funny.
Remember when he danced on top of the table and
sucked face with Jake in Jersey. I'M R-E-A-L worried.
Braxton

Hey Braxton,
Stop talking to yourself!
Braxton

To all the Graduating Brothers of A.P.D.,
Congratulations. Best wishes and happiness in all
your future endeavors.
Braxton

Hey Timmy,
I'm confused. Help me out. Now, I know when the
mug is filled — that's high tide. But when there's no
money in the wallet, Is that EBB-Tide or drought?
Braxton

Pat, Vinny, and Danny,
Pick one: The bad, The ugly, or The invisible.
