

Who's got the ball?

St. Francis starts another march.

Down goes another Redman.

# FOOTBALL

The second year of club football for St. Francis opened in a blaze of glory. The terriers struck quickly to outscore a stunned Pace College squad by a margin of 28 to 12. The remaining games proved to be a more difficult proposition. The humiliating shut-outs experienced in the kick off season were not repeated. General improvement was noted throughout the team, but the ultimate success of club football in the College will depend on the support attributed by the students.

The terriers were at a distinct disadvantage when one considers that the other teams have been established a number of years and that all the games were played on the road. The statistics are evidence that all of the clashes were hotly contested. The number of fumbles and interceptions equal the total of the opponents, telling the story of a tough defense. Twaddle to McCabe seemed to produce an effective ground gaining approach. Joe Dunne was also handy in the pass receiving department. Head Coach Tom Beshara is quite happy that Nick Buonomo, the number two man in the nation punt returns, will play again. The experience gained by the squad will prove invaluable in the season to come as few players are being lost due to graduation.

Powers lets one fly.
