

Black Student Association

Organized in 1974, the Black Student Association was created to stimulate a greater interest in student unity and to develop the conception of individual and collective sound responsibility on the part of students. In its attempt to achieve its purpose in a spirit of tolerance and liberality, the Black Student Association strives to maintain attitudes and procedures that are strictly non-sectarian, non-partisan, and non-ethnic in nature.

Circle K

This year a new youth service organization, Circle K, was initiated at St. Francis. As a branch of Kiwanis International, the club worked to "service youth, the community, and the nation." Flexibility of objectives enabled them to respond to challenges on all levels.

Funds for future projects are raised through Cake Sale.

Feminine touch is added to attract customers.

The officers of Circle K (l-r) Recording Secretary Betty Lou Capozzi, Vice President Andrew Martini, Treasurer Margaret Hume, President Frank Frattini, and Corresponding Secretary Lisa Gallotta.
