

I would like to give praises to God. Thanks to my wonderful parents, who I love dearly, Mr. and Mrs. William R. Webster Sr., for all the wonderful things they've done for me. It was appreciated more than you will ever know!! Also, I want to thank my other family members, my sister Denise, my brother in law Alfred, my grandmother Mrs. Warren, nephew Brian, niece Rachel, my Aunt Alma, and Aunt Juanita. Little things make such a big difference.

Last but not least, I want to thank the professors in the psychology department, Dr. Gielen, Dr. Mourer, and Dr. Anolik, for their time and patience. Monique, thank you so much for all the assistance that you have given me through our many classes together. In addition, I want to thank my supervisor at work Mr. Ben Gibbson and Marlin Thomas in the computer lab. To the rest, thanks and the best of everything.

Sincerely yours,

Truly,

Pamela Webster

Sue and Linda,

What can I say!!! Both of you are two psychos. It's been lots of fun working with you and I promise that you won't have to work with Thorton Studios as the yearbook photographers for 1989-90. I wouldn't do that to you guys. Now that you've seen what really goes on (headaches, loss of sleep, etc.) I wish you the best for next year. Thanks for having blind faith in what I was doing especially when I didn't know if it was right. (Which makes 95% of the times)!!!

Thanks, I couldn't have done it without either of you!!

Yoli

P.S. Hey Linda, good luck as next year's editor. You've truly earned it. (Both of you have)

To Laura,

Please, learn to relax, and take things in your stride. I think you'll do just fine.

Spinozza and Tigger

Dear Yoli,

We never thought we'd make it when we first met you. Yet we were part of a publication like no other this school has ever seen. You have not only been a terrific editor, but a caring and giving friend. You will be greatly missed next year and we only hope we can accomplish as much as you have.

Good Luck,
We love you,

We have no little sisters due to people like you. And you cannot be any stretch of the imagination ever be construed, in any way shape or form as little.

To my parents,

I know raising me was no easy task, I'm not the easiest person in the world to live with. I love you both very much and I do respect your opinions (even if they don't agree with mine). Thank you for all of your support and encouragement and belief in me. I won't disappoint you.

Love Always,
Elizabeth Marie

P.S. Thanks for not charging interest!!

John,

Thanks for making my last two years at SFC the most memorable I've ever had. I love you even when you drive me crazy. Best of luck in all you do and I know we'll always keep people amazed!! Thanks for helping me through my tough times, sharing my good times, and best of all, just being you.

If only you'd believe in miracles, so would I . . .

Love Always,

To Johnny and David,

I guess being an older sister is not the easiest job in the world but it makes it all the more great when you have brothers like you. Johnny, best of luck in all you do, I know you'll reach your dreams. David, being the youngest is not easy, but stay the sweet guy and wonderful person that you are.

Love Always,
Liz
