

S.A.C. President Norma Haughton

S.A.C. is half of the legislative branch of the Student Government. It's prime function is formulating all the regulations it deems as necessary in the domain of student activities. It is a check and balance structure within the Government. It is the aim and goal of the now present president of S.A.C. to see that it operates in its intended capacity. It is a legislative part of Student Government and it will function as such.
