PIA

THIS school year has been well marked with Pi Alpha activities. While sponsoring such undertakings as a memorial Mass, dogging sessions, dances and smokers, Pi Alpha displayed a spirit of brotherhood which identified each member as a standout collegian and regular fellow.

As some anonymous historian wrote concerning his frat brothers " . . . the Pi Alpha man is a good student, faithful Catholic, and still one of the boys . . . drinks beer, goes out with a working girl, spends his days in class, his nights out and his money on weekends . . . is proud of his Frat and prouder of St. Francis."

Front Row: Gene Kelly, Gil Gingold, Matt Hanley, Frank Sweeney, Ed Parry. Second Row: George Hearn, Joe Deuille, Charlie Kenny, Ed Meehan, Bill Pirundini, Bill Cassidy. Third Row: Kenny Burke, Bill Lanigan, Jim Kelly, Joe Pissani, Jay Manning, Bill Hochswender. Back Row: Jack Schofield, Jim McConnell, Bill Schrowder, Bill Horohoe, Paul McWilliams, Jerry McGrath.
