The St. Francis Troupers Drama Society was organized in 1925, and has the distinction of being the oldest club in the school. The Troupers produce one full-length play each semester under the careful training of Mr. Joseph Mingrone, and one production consisting of four one-act plays each directed by a Trouper in their senior year, rehearsed over the intercession vacation. The skills which the Troupers learn and practice consist of many branches of theatrical activity such as stage craft like carpentry, set construction, electrical work, make-up techniques, lighting and sound effects, costume design, and so on.

Some of the most recent productions of the Troupers have been: A Visit to a Small Planet, The Prime of Miss Jean Brodie, Tribute and most recently The Heiress.
