*There's a train everyday;  
leaving either way.  
There's a world, you know.  
There's a way to go.  
You'll soon be gone;  
it's just as well.  
This is my opening farewell.

*Though your troubles may be many  
and your joys so very few,  
never give up the battle  
there's a victory in store for you.*

*Though you may try very hard  
and never win or gain,  
remember you have a purpose  
a single goal to claim.*

*Even when the chips are down  
and there's no one on your side,  
you'll always have something  
you'll always have your pride.*

*And when your dreams turn to dust,  
and the wind blows them away,  
there's always tomorrow,  
for tomorrow's a brand new day.*

*So never think life is worthless  
never think of yourself as poor  
for what lies in the future,  
No one knows for sure!*

*Paula Mieszerski*
