To the Brothers of Alpha Kappa Psi,

*You are a great group of brothers, but most of all, we finally learned to be friends! I know you are not used to my sentimental B.S. so I'll make it real short. Thanks for all of your support this past year. I don't know where I would be without Alpha Kappa Psi but I know my college days were the better for it. Never forget our many escapades from the past years, and I look forward to seeing all of you again!!*

In U . . . and I . . .

Liz (LTD)

P.S. "Don't let a little torture get in the way of a good party" as a particular brother always advises.

P.P.S. Best of luck to all of the new brothers who under my "wonderful" guidance, are now ready to face the "Real World" of AKPsi.

Yoli,  
*Remember and never ever forget . . . Russians by Sting, that s sport, ccw&adc, ski trip, things that go bump in the night, what are you eating, wanna party all the time and the high notes, that b sport, pledging any Greek organization, my brothers, those infamous Freshman year parties, local establishments, switching drinks, nearly drowning, the promenade, that wonderful country of Greece, weird names, head over heels, that time we stopped talking and where and when we started again, no more of that v drink, but I really don't care anymore, what you say, what's concur, boyfriends who drive us crazy, the best of times and the worst of times . . .*

Luv ya,

Liz

To Erin, Marie, and Linda,

*Next time we leave the guys at home and really have fun.*

To my darling Vinny,

*I don't know how you did it all year long. You've put up with all my BS, tantrums, mood swings, and flipness all this year. (I know I'm not exaggerating). But, I guess it payed off — the yearbook is finally finished!!! Thanks for helping me out with PITA Layouts, calming me down, and especially for being there for me.*

*You've been a true friend to me along with being a Great boyfriend!! Thanks for all of your patience throughout this "trying" yearbook.*

All my love,

your Angel

Liz,

*I can't believe it's been four years past. They've gone by so quickly. I'll always cherish our friendship.*

*Thanks for doing your favorite thing (\$\$) so well. If it weren't for you, I would have died doing all that record keeping along with layouts all by myself.*

Yoli

*You've done good!!! All of your drawings were great. Thanks for helping me make this yearbook different and as creative as ever!*

*Good luck with next year's book, I'm glad you stayed on as Art Editor!*
