*Because you leave when you have to,
or when you're meant to.
And part of you dies when you go.
You leave it there,
it stays there.
And what's left of you moves onto
someplace else.*

*You have powers you never
dreamed of.
You can do things you never
thought you could
There are no limitations in what
you can do
except the limitations in your
own mind
as to what you cannot do.
Don't think you cannot,
think you can!
