

Dear Anthony:

Well, what do you know, it's finally over. What am I going to do without you? You better watch out, I'm right behind you. Good luck in your future, I know you will go far in life. "Don't Stop Believing." Today you start your new life. Stand up straight, look straight ahead, and dive right into success. I will meet you on top, together we'll stand.

Love Always, Geri

P.S. I Love You!

To My buddies James, Michelle, Frank, Bill George, Tom, Mike, Eric and Steve:

We have shared so many great times. Just remember: water balloon fights, Hampton Bay summers (they were the best!), 3rd avenue festivals, Frank's place, sticks, super bowl parties, kegs, skits and many laughs! I love you guys!

Marlene

Dear James:

I just wanted to let you know that I am **really** happy! Thanks for enhancing my life and being there for me! You've been with me before college even began and I know we will always be together (after all, what's peanut butter without the jelly . . .?)! I love you!

Marlene

P.S. Yes, it is definitely forty time! The future is very bright!

To My Friends at SFC:

We had some great times — hold on to the memories!

Love, Marlene

Bernardo:

Four years have gone by so quick — I am really going to miss you! Never forget: education classes, Logic (we had a ball — remember my love with the funky threads), "being cut off by Jessie," cramming in the library, History classes, finals, great political and religious debates in the library, video games, NTE's, History and Political Science Society, Phi Alpha Theta, Presidential Debate '92, P.A.T. induction, hospital, toy shopping with Eddie M., newspaper, some really strange conversations, old books to new homes, and of course, STUDENT TEACHING (what an experience!). You're a great person and I know you will make a great teacher (or lawyer or . . .). I wish you nothing but luck and happiness throughout your life!

Love, Marlene

Tom:

I'm so happy I get to spend yet another year with you. Thanks for your sense of humor. Remember the ski trip and the "ruby slippers." I love you lots!
Love always,
Yvonne

Lenny:

Thanks for always being there. I never met anyone quite like you. I can honestly say that you are one of the few people who know me well. I'm really glad we're friends. I love you!
Love always,
Yvonne

Dear Laura,

Congratulations on your graduation. I'm glad we stayed friends, good luck in your field of study. "T"

Dear Yvonne, Vianca and Terry,

Another good year you guys are great friends, always stay sweet.
Love, Tommy T

Cynthia,

It's been a great year and I'm glad we met. You made 1993 worth staying in school.
Love always and forever
Tom

Yvonne and Vianca:

We Finally did it! Another yearbook completed. This was definitely the best book ever. Nobody knows the hard work that goes into the production of the yearbook, but we do and that's all that counts. Through all the arguments and stress, we pulled through, like I knew we would, and successfully finished this book. Cheers to a job well done.
Love always, Terry

Tom Kehoe: Thanks for all your support. You've always provided us with the help we needed at any time. And most of all, thanks for putting up with all of us at St. Francis.

Sincerely,
The Franciscan Staff 1993

Tommy "T"

After all we've been through, we're still friends. Thanks for putting up with me when the times got rough. Stay cool!
Love Ya, Terry

Kristin and Jiselle: I haven't known you for too long, but I know you're going to be great friends and true sisters.

Love, Terry

Diana,

It's been fun hanging out. Stay cool! Love ya,
Terry

Sal,

Congratulations on graduating. I'm glad we met. Stay in touch.
Love always, Terry

Jessica:

I can't believe we are graduating already — how time flies! When you look back on these years I hope you smile and remember: the freshman four, serious and not so serious talks in the lounge, ranking out Bernardo, cutting off Bernardo and religious discussions. Also, Jello, turning 21, Daisy's apartment, the maid, Ben, Tonni, Ada, Anne O'Flan, NTE's, and student teaching. Best of luck in all you do! Take care and when you get a chance, call me — We'll share our teaching antics!

Love, Marlene

Watch out for those Piggies in a blanket!!!

Irene:

Well, you have finally done it! Congrats to a person who knows what true sisterhood is. I wish you all the luck and success in your future. Thanks for giving me my start in the "publication business." I appreciate it. Stay the way you are.

Love, Yvonne

Louie:

I wish you nothing but happiness and success in your future. Happy graduation.

Love, Yvonne

Dearest Alpha Phi Delta:

Thank you so much for providing me laughter and aggravation throughout my tenure. I don't know what I would do without all of you. I appreciate the use of the office. The phone is yours. I love you all!

Yvonne

Feed the pig! Feed the pig!

Rob Nelson:

I've watched you for four years and I have liked what I saw. Good luck in your future, it's a shame we didn't get a chance to know one another better.
Lisa
