

GLEE CLUB

THE Glee Club, after its initial concert in the Palestra last season, advanced to further heights this year by climaxing its year's activities with a well-received concert in Carnegie Hall.

In preparation for the big event, the club gave performances at the Christmas assembly, Saint Mary's and Mary Immaculate Hospitals' Nurses Homes, Saint Joseph's Home and the House of Good Shepherd.

March 21st was the date for the Carnegie Hall concert. Felix Robert Mendelssohn, 'cellist, appeared as guest artist. As special features, a string quintet and a vocal quartet, composed of Glee Club personnel, as well as solos by William Larkin, John Murphy, and Gordon Maher, rounded out the excellent program.

The club concluded its season by rendering selections at Senior Night ceremonies, and at Commencement. Mrs. Marie MacDonald is director of the group. Brother Pascal acted as moderator, and Brother Camillus served as accompanist. Officers were John Murphy, President; William Larkin, Secretary; Arthur Lochhead Treasurer; and Oliver Hamill, Librarian.

Π Α

PI ALPHA

This was one of Pi Alpha's banner years, now having the distinction of being the oldest active student organization in the College. Celebrating its thirty-fifth anniversary since its inception in Saint Francis College in 1906, the fraternity sponsored many activities and functions throughout the year befitting such a grand occasion.

The first event was an Anniversary Mass in memory of the deceased brothers of Pi Alpha held Thanksgiving Day morning in the Monastery Chapel. Father Charles Bermingham was the celebrant.

Next came an informal stag dinner during Christmas week which served as a means of re-uniting the old timers with the present under-grads. The affair was held at the Knights of Columbus. Three of the original eight founders attended, namely, Rev. John J. Ross, principal of Bishop McDonnell High School, Rev. Peter A. Kelaher, pastor of Saint Athanasius R.C. Church, and Rev. Owen J. Smith, pastor of Saint Anselm's R.C. Church.

Easter week provided the next opportunity to celebrate, and another dinner was held in honor of those Pi Alpha men now studying in the seminary. This
