

As the 1989 year comes to a close, I would like to thank my entire staff for their help and support in completing this year's yearbook . . . "THE 1989 FRANCISCAN!!!" It was a long and hard struggle that was made by all of the staff members, but, we ALL made IT!!

I hope that the Seniors and undergraduates and all that see what we did, and really appreciate the time and effort that was put into a very different book for YOU all!!

I would also like to apologize to the teams in general. Unfortunately the photography studio did not do such a professional job this year. Please accept this as a formal apology, since I cannot and could not do anything about this matter.

Dean Adams — thanks for having so much faith in me and in my staff.

Tom Kehoe — thanks for teaching me all that you know and making this yearbook a success, thanks for being our Publishing Representative.

Linda and Sue — thanks for all those layouts that were don on HOT RUSHES and counting all those PICAS!!

Liz — thanks for taking care of the \$\$\$ and typing and for helping with everything else that you didn't have to do!!!

Sharon and Diana — thanks for all those pictures that you both took in the course of this year.

Mirella — thanks to you, most of the dividers were done; thanks for all the ARTWORK AND DRAWINGS that you did!!! Christine (and Sal) — thanks for all of the Ads and Boosters that you helped with and SOME pictures that you took on emergencies. (only kidding)

Marie — thanks for doing the Boosters, and helping me out when there was no one else around; your typing is as BAD as it was last year. (KMHCA and KMHIA)
