

This yearbook was put together by many dedicated individuals. I would like to thank William Beuther Jr. and Dean Bruno for their awful senses of humor; Deidre, Yvonne, Rick, John, Lisa ,Vianca, and the Student Government people, as well as William Mallett and Janice. As well as to everyone else who made me laugh throughout the year, especially my fellow Phys. Ed majors. And to all the guys in Alpha Phi Delta, get out of MY office. To Thornthon Studios and AP World Wide Photo Service.

Thank You!
