Phi Gamma Nu

Phi Gamma Nu, a National Professional Fraternity in the field of business, was founded February 17, 1924. St. Francis College Beta Psi Chapter was established in 1976. The Fraternity aims to uphold the interest of our Alma Mater through the encouragement of high scholarship, participation in school and social activities. We promote professional competency and achievement in the field of business. The Fraternity sponsors a foster child from a developing country and runs several social and business functions each year.
