

## Men's Basketball

The St. Francis College men's basketball team continued its tradition of superb play by reaching the Northeast Conference semifinals for the fourth consecutive year, the longest current streak of any team in the league. The Terriers finished the season at 18-11 after a close loss in the conference semifinal game at the hands of eventual champion Central Connecticut State.

The Terriers played an entertaining brand of basketball with a high-powered offense.

As always, the Terriers played an entertaining brand of basketball with a high-powered offense. St. Francis was led by senior Jason Morgan, who averaged over 17 points per game while tying the school record with 100 three-point field goals. Senior Clifford Strong and junior Chris Sockwell controlled the inside game, and junior Bronski Dokery showed the ability to drive the lane and knock down the three-pointer. The Terriers also received contributions from every player, although they only suited up 10 players during the season.

During the season, the Terriers played competitive games against Big East Conference foes St. John's and Pittsburgh.

...the future appears to be very bright for St.

Francis women's basketball in the years to come.

---

Weir was a three-time Northeast Conference Rookie of the Week selection, and was named to the NEC All-Rookie Team at the conclusion of the season.

With no seniors on the Terrier roster this past season, the future appears to be very bright for St. Francis women's basketball in the years to come.
