

OMICRON DELTA EPSILON

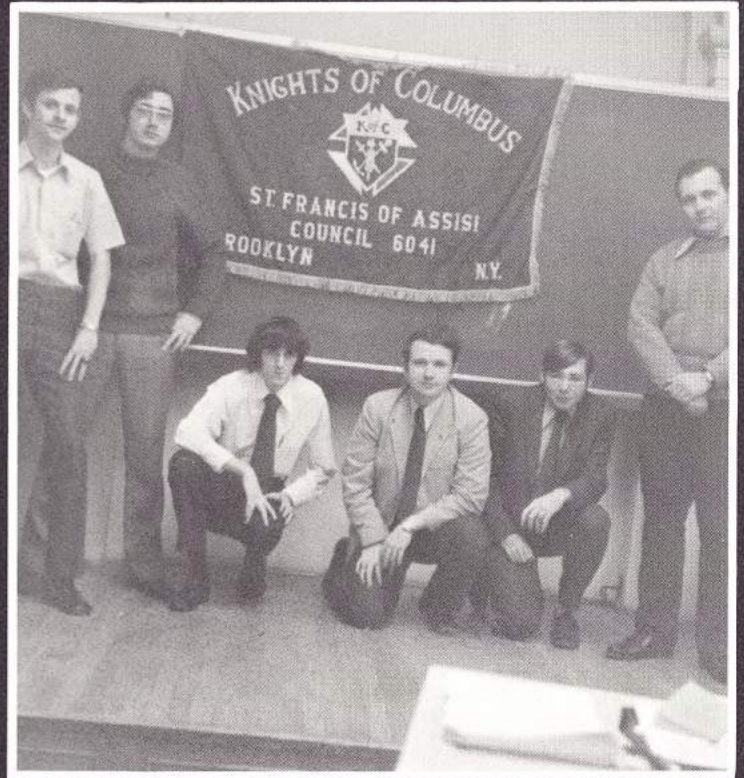

Omicron Delta Epsilon is the International Honor Fraternity in Economics. The ETA Chapter of New York was established at St. Francis College in 1958, thus making it one of the oldest chapters in the Society. Its aim is to foster interest in Economics and to honor superior academic achievement in Economics. The S.F.C. chapter sponsors informal seminars on current topics with notable and interesting guest speakers.

KNIGHTS OF COLUMBUS

St. Francis of Assisi Council # 6041, is the title of the Knights of Columbus Council on campus here at the college. This group is dedicated to the promotion of it's aims: charity, unity, fraternity and patriotism.

The council is very active not only among it's present on campus members, but also among many of the alumni of St. Francis. Evidence of this is seen in the fact that the present Grand Knight of the council is Bob Smith, a recent graduate of the college.
