

Student Council

PASCAL ESEMPLARE
President

Making the voice of the student known, both to the administration and our fellow colleges, working to serve the student needs on the campus in all areas of student life—that is the task of the Student Council.

The 1954-1955 Council was blessed with interested, capable and dynamic leaders who, through their unselfish efforts, have made the Council one of the most progressive in the history of the College.

To begin with, the celebration of the Marian year at St. Francis reached its apex when a public Mass—to which the Newman Clubs of the Various secular

colleges were invited—was celebrated at St. Paul's Church. The Council, working closely with all campus organizations, undertook the sponsorship of an Open School Day to familiarize the parents of the students with St. Francis. A Successful Christmas Toy Drive was also initiated by the Council, assisted by committees of Pi Alpha and Phi Rho Pi Fraternities.

Truly, in preserving the best in the St. Francis tradition, and in stressing progress, the Council has earned the respect of all at St. Francis.
