

"ALAS!! I MISSED THREE!!" Ken Olson bemoans an off-center shot which gave him a mere seven points for the frame. The team used the Bowlmor Lanes as their home base during the season.

FRANK TIERNEY, MIKE CASSATTA AND ARTIE BEYER were three of the high scorers of this year's kegler team. An extremely competitive season is what the team seems to thrive on, as this year's record showed.

Bowling

IN GOOD FORM, Mike Nastri completes a toss which netted the team another strike. Keglers found many passers-by interested in their league games; Nastri provided them with some excellent scores.

THE BOWLING TEAM competes in the Eastern States Intercollegiate Bowling Conference, and is currently in a tight race for second place with Hofstra and St. John's. The keglers, paced by Co-Captain and Coach, Mike Nastri, have posted a 36-21 league record as of this writing. At one point during the season, the Terriers defeated Brooklyn Poly, 3-0, and Queens 2-1 in winning 11 out of 12 games. The remainder of the squad who aided in compiling this fine record are Frank Tierney, Mike Cassatta, Ken Olsen, Art Beyer, Charlie Jaeger and Nick Facorelli.

AND IT'S A WIN FOR S.F.C.! A jubilant team cheers the final score. Mike Nastri, a Math major, proved a natural for the job of score keeper.

ANOTHER OFF-CENTER SHOT is hurled by Frank Tierney. This shot, added to Ken Olson's, nearly cost the Terriers the game, but an excellent last frame rescued the six-man team.

DEAD-EYE DICK seems to have a descendent in Mike Cassatta. Known for his deadly aim, Cassatta demonstrated a clear-eyed intensity in bowling which was the winning spark in many a frame.

WITH A WIDE ARC in his arm movement, Ken Olsen lets loose with a curve ball down the alley for the completion of a spare for the Terrier keglers.
