

The Nineteen Ninety-one Franciscan Is a Collection of Memories of Four Years Gone by. Our Hard Work, Determination, and Achievements Are Relived on These Pages for All of Us to Share. Saint Francis Students Can Relish in Their Commitments to Excellence.

We Can All Look Forward to Our Triumphs, Aspirations, and Future Endeavors With the Confidence That Is Indeed Reflected and Celebrated Throughout This Book.

It Is With Pride for Us to See, the Franciscan, a Part of You and Me.
