

PRAYER GROUP

St. Francis College Pray Group is a Christian organization which offers students the opportunity to enter into, and develop a personal relationship with Jesus Christ. Through personal sharings, bible study, and songs, we deepen our relationship with God, and each other. We also extend ourselves to our community through the different activities that we sponsor. Last year, S.F.C. Prayer group received the "best group of the year award" for its active participation in coordinating a talent show for the benefit of muscular dystrophy.
