

“Right Where
You Are”
Christmas Show
Sponsored by:
The Christian Club

To a child of a prisoner Christmas can be one of the saddest days of the year. In many cases, there are no presents to open, no joys to share.

But through a program called Project Angel Tree, Prison Fellowship helps make Christmas come alive for the children of prisoners.

PROJECT
ANGEL TREE
STRAIGHT FROM THE HEART

Much more than a program to provide gifts for needy kids, it is a clear expression of genuine Christian love.

For the first time at St. Francis College the Christian Club was the proud sponsor of this program.
