A Son

A son is warmth, hope and promise — The pride of your heart that brings joy in your life. A son brings all the happiness of seeing dreams come true, warm memories of good times shared together, pride in his accomplishments and all he plans to do . . .

A son brings joy and love that lasts forever. With happy memories of the special things that you have done, with gratitude because you've been the nicest kind of son — With all the love that's always yours, you're wished a day that brings the joy of friendship, the exhilaration of a dream accomplished and the promise that your future will be filled with happiness. May God always be a part. Congratulations on a job well done.

Your Mother,
Loretta
