

B OOSTERS

Dear Mirta,

We have been through so much and it's hard to say good-bye. I know you guys will do great next year — Keep James in line. Your friendship means so much to me. Be expecting call close to exams and we'll still suffer through our last year of accounting together. Thank you for all you have done. I will see you later, so this is not good-bye but more like I'll see you some time in 92. Take care and I Love you tons. In U . . . & I . . .

Kristine

Dear Stacey, Lorraine, Lisa, Jennifer, Janine & Christina,

Congrats! I wish you all the best in your careers and all the joy, happiness and love in your lives. You deserve all of the good that I know will come your way.

Irene

Dear Snapperhead,

Thanks for your friendship. You're the best — You mean more than I could say — Later!

Love ya, Snapperhead

Mooch,

A real friend is someone who knows all about you and loves you just the same. From Cypress Hills to Bay Ridge and back, we've packed the last 5 years with memories. You never once gave up on me or our friendship. Thank you for everything! Never forget the Tequila, Buckool

Love Lseashy

Leashy,

It's been a long road . . . a very long road! For the most part — It was an uphill battle. There were many potholes and pitfalls. Sometimes we even had to take cover in the trenches. But you did it! You kept on the path and never fell to the wayside. You have given me so much. You are a true friend and a BETTER sister. You know the meaning of sisterhood and evertrue. If a person is to be judged by the friends they acquire along the road of life then I am truly blessed. I wish you all the Best In Life. It is all within your reach. Go out into the world and reach for the stars. You are prepared for anything and everything. HAVE FUN! Tequila!

Luv ya lots, Moochy
