# SOPHOMORES

**A**T the end of the summer, with many an added freckle and a much darker tan, the Sophomores returned to St. Francis College to launch a new attack on their college careers. . . .

To begin with there were the incoming Freshmen — a tough problem to handle. . . . Hazing commenced — Freshmen become serfs of the Sophs — Battle on Butler Street — Freshmen minus pants. . . . Double victory for the Sophs in the tug of war and basketball game. . . . Hostilities dropped. . . . Frosh-Soph hop a huge success. . . .

Frivolous thoughts soon disappeared as the Sophs tackled such new subjects as Logic and the Social Sciences. . . .

In the field of Sports the class boasts of many participants. . . . In basketball the class sent Artie Lochhead, Jack McWilliams, Joe Sydlansky and Bill Barrett to the varsity ranks . . . to the Junior Varsity went Ray Rudden, Ed Hand, Jim Campbell and Jim Sands, Frank McCabe and Gene Callan. . . . In track Jack Troy showed much promise, ably supported by John Lyden, Matt Broughton, Frank Whitmore and Warren Curry. . . .

Such Sophomores as Oliver Hammill, Ted Conlon, Frank Finnegan, Ed Johnson, Vito Coscia, Bill Leahy, George Henderson and Joe Lynch swelled the ranks of the Glee Club. . . .
