

contest was that it was won by Fordham in a sudden-death period. The two teams were tied, at the end of the game, at the end of the first overtime, and at the end of the second overtime period. As we said before, the Rams won in sudden-death, 46-45.

The game that saw the yearlings really hit their stride was the one against Brooklyn College. Half-time found St. Francis ahead 44-21. Ray Reardon having accounted for 19 points. Returning to the court for the second stanza, the Terriers kept pouring it on, winning going away, 83-46. Reardon and Steve Ellsworth sparked the team to that victory, Ray with 23 and "Little Steve" with 22 points.

Several members of this team will receive very serious consideration next year when the varsity is being picked. With Reardon, another sure varsity prospect for next season is Jim Luisi. Jim played his high school ball at Benjamin Franklin. Playing in only 14 games this year, Luisi hit for 172 points, an average of 12.3 points per game. By the way, his average per game puts him at the top in that department.

For two straight years St. Francis has come up with a better than average Jayvee team. It is our hope that the "Little Terriers" of every year will be better than average; for we must remember, the Jayvee of this year is the varsity of next year.
