

Christian Fellowship

Officially recognized since 1975, the Christian Fellowship Club provides students with the opportunity to share their experiences and challenges. Together with co-ordinators, Terence McHale and Gaspar Alasi, the group holds weekly meetings to discuss and develop Christian attitudes. They have also assisted the Campus Ministry in its development and presentation of various functions.

German Club

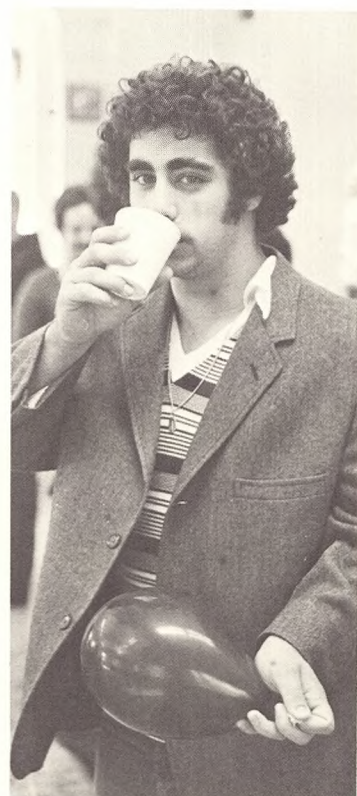

For more than 10 years the German Club has been bringing to St. Francis a touch of German culture through activities such as the Oktoberfest and the Christmas Sing-A-Long. The Oktoberfest is a German tradition of singing, eating, drinking and merry making. The Christmas Sing-A-Long includes a repertoire of German carols. The Club also sponsors films about life in Germany. The members of the German Club represent St. Francis in the annual Steuben Day Parade. They also include a German Mass which they attend at St. Joseph's each year.

Prof. Rutar, Bernard Reiss, Fran Celentano, and Joe Anelli.

Students from other activities enjoy the German celebration.
