

For the brothers of A.P.D.:

Things haven't always been smooth, but they sure have been fun! The formals, the parties, sharing the everyday grind. Goodbye is never easy but it never needs to be permanent. Good luck to you all.

Love, Karina

(PS) Smoke that blunt!

To Diane,

"A friend in need is a friend I need"

When I needed to hangout you were there

When I needed to be cheered up you made me laugh

When I needed to run my mouth you listened

When I was quiet it was your turn to run your mouth

Even though you probably weren't aware of those days I needed to be cheered up you did a good job. You were always there to brighten up my days and I'm sure you did the same to many other people's days as well. I've only known you for a year and now you're departing.

there's been sad days

there's been happy days
but when you were around
sad days didn't exist.
now it all comes to an end.

I *really* wish you didn't have to leave, but life goes on and we have to move on.

I hope the best for you in the future, and may success come your way. Remember always that there is a *God*. Thanks to him anything can happen with him by your side and leading and guiding you. No wrong doings will come your way. So go with *God* follow the path he's set for you and don't ever look back and try to go the other way, because you will find life is hard.

You will be dearly missed and remembered but I must say It's Been *Fun!* Good Luck in your field of work and the future.

Love always,
Mirlene

Don't forget I'm only a phone call away! and *DON'T CUT THAT HAIR*
