

PI ALPHA

The year 1968 saw Pi Alpha continue their reputation for loyalty and friendship which has become a traditional mainstay of college spirit and the bulwark of Franciscan. 1968 showed Pi Alpha to be rejuvenated under the new leadership of their Archon, Joe Dunne.

One of the high points of the year is the Pi Alpha Ball. The Ball was held this year at the Hotel Bossert in Brooklyn Heights. Over the years the Ball has been the framework of spirit among the brothers and the student body of the college. The dance this year was dedicated to one of Pi Alpha's most honored brothers, Brother David Trapp.

The men of the black and gold twice a year undertake the pleasure of admitting new brothers. This is done in a warm yet somewhat painful period of "dogging." In keeping with a more ameliorated pledging program, Pi Alpha's aim of quality not quantity was again realized with the reception of six new brothers in the fall semester.

Pi Alpha has through its long history proven to be not an ephemeral organization but one which grows with the years, and it will continue to do so.
