

STUDENT GOVERNMENT

The Student Government of St. Francis College is an organization of many dedicated students whose main task is to coordinate the student body of the college. This does not only concern the students in relation to the college, but also their relation to the surrounding communities. One of the main purposes of the Student Government is to act as a sounding board for any desires-interests the students might express. Along with the responsibility of hearing the needs of the student body, the Student Government of St. Francis College is trying to make a better St. Francis to all concerned. Their services are for the benefit of the students as individuals and as part of the college.

The elections for the Student Government positions occur every Spring semester of every academic year. These elections are very important because the people elected play a very important role at the college as student representatives. They are elected by a majority of the student body; and for that reason they are expected to act as the legitimate representatives of the student body and are to act in the best interests of the students.
