

SOPHOMORE CLASS

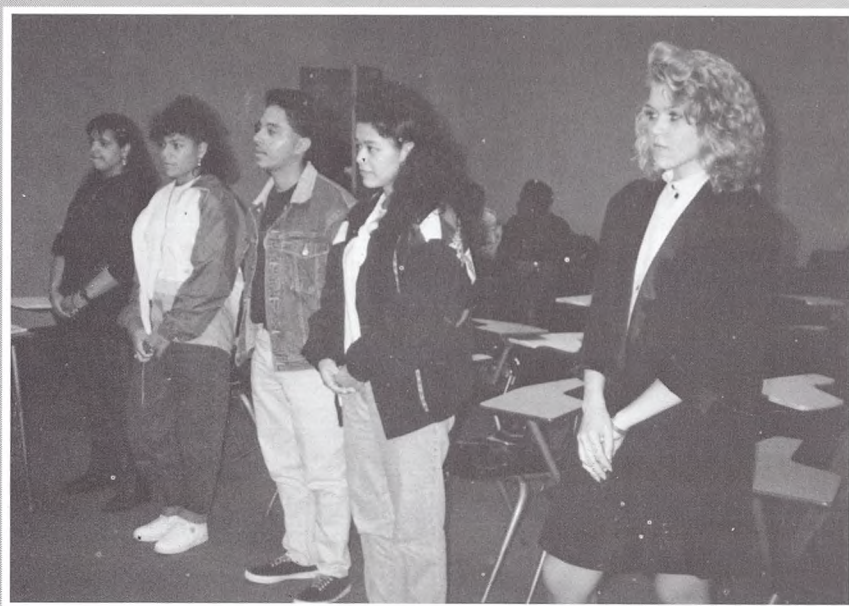

*Dawn Enright
Sophomore Class President*

— Look up “Sophomore” in the dictionary.

— You think you are hot stuff now that you’re no longer a freshman — only to find out no one notices you exist!

— You waited all summer and finally the time arrives. You, too, can now cut down freshmen and walk through the halls of S.F.C. with your head held high.

— Keep trying to fit in — maybe next year you will.

SOPHOMORES

FRESHMAN CLASS

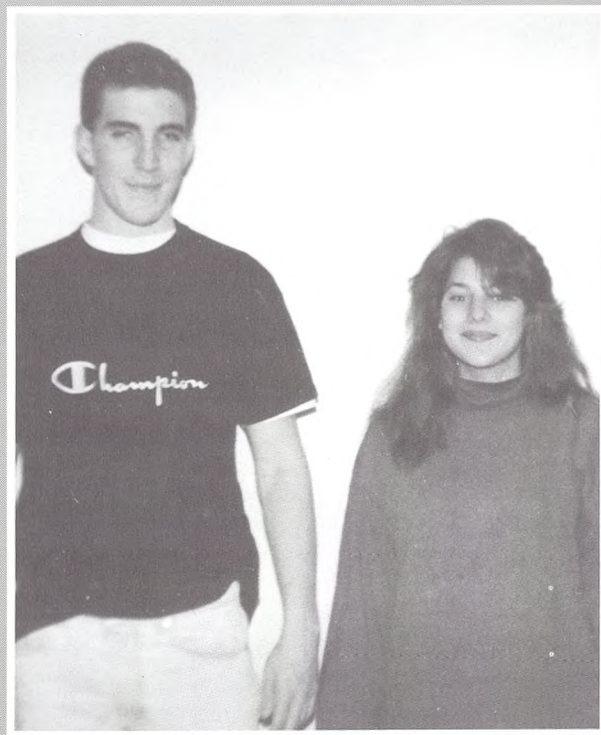

- *Off to a good start. Getting involved in many activities.*
- *Went to the wrong class three days in a row.*
- *Bought pool pass. Good for entire year.*
- *Finally built up enough nerve to talk to that person you had a crush on over a month, only to find out you had chocolate between your teeth.*
- *What??? \$60 for a textbook.*
