

DEDICATED TO

The students of the Class of '41 hereby dedicate

this opus to the faculty of Saint Francis College who

were, in our opinion, surprisingly naive when we entered as Freshmen but who learned an awful lot in

our four years here. At times they got out of hand

with a "*Scientia est in mente*" but with an exalted sense

of Senior superiority we showed them what was what!

. . . Sometimes.

THE FACULTY

CONTENTS

Chapter One	Views
