Senior Biology Major Plans Graduate Study in Morocco

April 14, 2004 (Brooklyn Heights, N.Y.)—St. Francis College announces that senior biology major Alissar Maaliki has received a 2004-2005 U.S. Student Fulbright award offer for graduate study abroad.

Ms. Maaliki has applied to spend nine months in Morocco, beginning in September, to research the utilization and conservation of herbal medicine.

BOOK SIGNING: Prof. T. Quinn
