

Dear Antoinette Palazzi,  
Congratulations!  
You were a great president for Pi Sigma, a great tutor, and a great friend.

Love,  
Michelle Merro

To Tina Cantarella,  
I wish you all the luck and happiness.

Love,  
Michelle Merro

To my dearest friends: Pelzy and Anne,

As our friendship grew rapidly, it seems like we were friends for many years. I'm grateful that in time of a crisis, I have both of you to turn to. Thanks for putting up with me.

As our career and goals lead us to different paths, please stay in touch. I wish you guys happiness and greater health.

Love Annie

Dear Amy,  
Have a great summer, Congratulations! Good luck in everything! I'll miss you. Remember the good times we had when we were Eta Omega Tau sisters. You're a great friend. Keep in touch!

Love, Marluz

Dear Danny,  
Good luck in all you do in life. You're a great guy and you deserve the best. Always remember to get anywhere you have to work hard. You'll always be my drinking buddy and I'm really glad we've become so close. I'm sure I'll be seeing a lot of you after you graduate! Always remember "Zutalo." "Heffin it Lorge" and never forget that. "I love ya babe."

Love and friendship always  
Sheila

Dear Mom and Dad,  
Thank you for your unconditional love and support during my four years in college. Without you, I would not be where I am today. You never stopped believing in me and taught me to believe in myself. Thank you from the bottom of my heart.

Love always,  
Anne

To All My Friends:

Thanks for all the laughs we shared and all the memories I hold; but most of all, thank you for making my two years at St. Francis two of the best years of my life.

Pek, Judée, Swifty, and Mike: Thanks for accepting me as one of the guys. Good luck in Med School!

M<sup>4</sup>: Thank you for your support and your friendship. You're the greatest!

Annie: I'm glad we became such good friends. Keep in touch. Good luck in all you do.

Marianna, Sandra, Nadja, Nedjie, Sylvia, and George: I never knew that Biology classes could be so much fun. Thanks.

Thanks to my Circle K Family especially Anne Marlene, patience and encouragement, especially during my medical school application process.

To all of You:

"I would love to stay, but that would keep me from leaving. The headbone is connected to the heart bone — don't ever let them come apart . . ."

Hawkeye Pierce, M\*A\*S\*H  
Love, Anne (O'Flan)

Dear Doodlemeister,

You really shouldn't do them in your pants. Thanks for being my best friend! You are great! I will miss you being around all the time!

Love you,  
Doodlehead

Remember the 7th floor, N.J., blue rug, errogenous zones, and money grip!
