Spacious, majestic, and beautiful, the Belvedere Roof of the Hotel Astor was selected by the class of '51, for the site of their Prom.

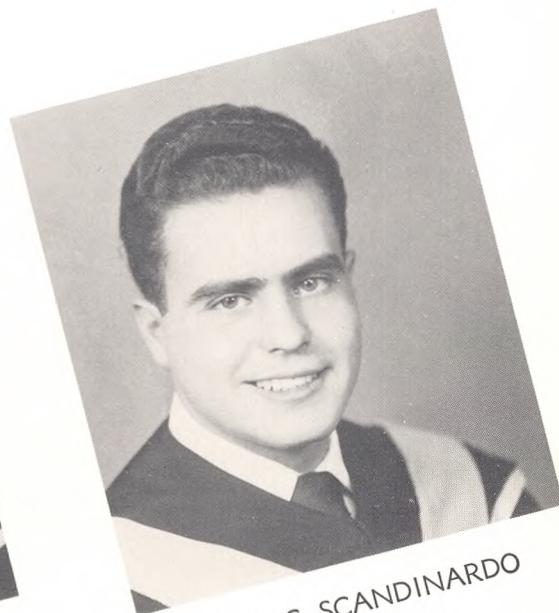

After much deliberation it was decided that the music of Joe Carroll and his orchestra was in keeping with the musical savor of the St. Francis student body. It was upon this basis that the engagement for the "big event" went to Joe Carroll.

For those of us who attended the prom, there will always be the pleasant memory of the guest stars who performed in their respective fields; Fran Warren, top female vocalist of the year, and Dennis Keene, the star Irish tenor.
