

The individuals you see on these pages are the brothers of Phi Rho Pi National Fraternity, Beta Chapter, the oldest national fraternity on campus. It was founded in 1923, when the brothers of Kappa Gamma Fraternity of St. Francis College decided to affiliate with Phi Rho Pi, Alpha Chapter of Manhattan College. Throughout its forty-seven year history, fraternity has stressed the fact that the most well rounded individual is the one that participates totally. This total participation in the life of the college has always been the goal of Phi Rho Pi.

This year the fraternity once again sponsored the annual blood drive, contributing to the school's blood bank. It also ran the Christmas Toy Drive for the orphans at the Monserate Mission in Bklyn. Socially, Phi Rho Pi's annual pre-school blast was a huge success with over 600 guests attending. The achievement of these goals has largely been due to the efforts of Praetor John Serrao, Dennis Mitchell and John Jazylo, with the total involvement of each and every brother.

The accomplishment of Phi Rho Pi's goal-total participation in the life of the college — was amply evidenced this past year by the fact that five of her brothers were selected to "Who's Who in American Colleges and Universities," and nine served the students in the realm of Student Government.

However, even more basic than this total participation, and without which this participation would never be possible, is the fraternity's overwhelming spirit of brotherhood. This true "fraternalism" has been the binding force of Phi Rho Pi since its inception, and continues to grow increasingly stronger each semester as new brothers are welcomed into the fraternity. It is this feeling of closeness, of brotherhood, that drives the brothers to work together as a unit, resulting in a total participation in the life of St. Francis College.
