The *VOICE*, the student press of St. Francis College was founded in 1885 (then known as the Spectator) and continued publication as such until 1934. In 1934 after a brief suspension of the publication the student press returned . . . it was now called the *VOICE*. The Voice has continued publishing successfully since then. In 1963 the Voice created an active editorial board format which has served since then as the governing body of the Voice. The Voice is the student mouthpiece to air and be known of school problems, and that is the purpose of our student press. Founded in 1885, The Voice is the oldest organization on campus.
